S i r,

During the course of my tours I receive numerous requests from families of soldiers serving in the Indian Army, Royal Indian Navy and Indian Air Force, for grants of land.

In British India such cases are dealt with by the temporary assignment of land under the "Grow more food scheme". I request that you will consider the possiblity of making similar grants to families resident in the State. The numbers concerned are comparatively small and certainly do not exceed 800.

I have the honour to be,

Your most obedient servant,

E.G. Phythian-Adams MAJOR,
